

# SELECTIVE INSURANCE AUTHORIZES NEW \$100 MILLION SHARE REPURCHASE PROGRAM

BRANCHVILLE, N.J., Dec. 2, 2020 /PRNewswire/ -- Selective Insurance Group, Inc. (NASDAQ:SIGI) today announced that its Board of Directors authorized a new share repurchase program under which it may repurchase up to \$100 million of its outstanding shares.

"This share repurchase program demonstrates Selective Board's ongoing commitment to enhancing shareholder value and emphasizes our confidence in Selective's long-term financial outlook," said John Marchioni, President and CEO. "Selective's strong earnings and growth outlook provides us the ability to continue to invest in the business while returning value to shareholders through quarterly dividends and opportunistic share repurchases."

The timing and amount of any share repurchases under the authorization will be determined by management at its discretion and based on market conditions and other considerations. Share repurchases under the authorizations may be made through a variety of methods, which may include open market purchases, pre-set trading plans meeting the requirements of Rule 10b5-1 and Rule 10b-18 under the Securities Exchange Act of 1934, privately negotiated transactions, block trades, accelerated share repurchase plans, or any combination of such methods.

The \$100 million share repurchase program has no set expiration or termination date. Selective's repurchase program does not obligate it to acquire any particular amount of its common stock, and the repurchase program may be suspended or discontinued at any time at Selective's discretion.
